The Ethics and Technology of HUMAN GENE MODIFICATION

SCHEDULE of EVENTS

12:00 – 1:00  Lunch
12:30 – 1:15  Introduction to the Conference
  History of Gene Engineered Organisms, Now Including Humans
  Daniel E. Williams, MD, MS, Medical Oncology & Hematology
1:15 – 1:50  Gene Targets and the Potential for Human Genetic Engineering
  Tallat Mahmood, MD, Medical Oncology and Hematology
1:50 – 2:10  Break
2:10 – 3:10  Ethical Issues in Human Genetic Engineering
  Laura Cabrera, Ph.D., Assistant Professor
  Center for Ethics and Humanities in the Life Sciences,
  Department of Translational Science and Molecular Medicine, MSU
3:10 – 4:30  Panel & Audience Discussion of Challenging Example Cases
  Daniel E. Williams, MD, MS, Moderator
  Panelists:  Laura Cabera, PhD, Ethicist
            Mario Chaves, MD, Obstetrics & Gynecology
            Peg Faulmann, Pastor, St. John’s United Church of Christ
            Tallat Mahmood, MD, Oncology & Hematology
            Thomas Teal, MD, Family Medicine

Target Audience:
• Primary Care Physicians
• Registered Nurses
• Allied Health Professionals
• Genetic Counselors

Educational Activity = 4 CME credits
McLaren Flint designates this educational activity for a maximum of 4.0 AMA PRA Category 1 Credits.
Physicians should only claim credit commensurate with the extent of their participation in the activity.
CME’s for physicians can serve as CEs for Registered Nurses.

No Registration Fee

This activity has been planned and implemented in accordance with the essential areas and policies of the Michigan State Medical Society Committee on CME Accreditation through the joint sponsorship of McLaren Flint and Memorial Healthcare. McLaren Flint is accredited by the Michigan State Medical Society Committee on CME Accreditation to provide continuing medical education for physicians.
The Ethics and Technology of **HUMAN GENE MODIFICATION**

Thursday, April 21, 2016 • 12:00 - 4:30 PM

Located in the Memorial Healthcare Auditorium

Please RSVP to Lynnea via email at lmalatinsky@MemorialHealthcare.org or by calling (989) 729-4416
